

NEW YORK STATE FRATERNAL ORDER OF POLICE

KENNETH HAAS
VICE PRESIDENT
LOYAL KNIGHTS OF NEW YORK
LODGE #222
P.O. Box 130153
New York, New York 10013

Dear Members,

We have always recognized that our active membership is our best recruiting tool and we want to reward your recruiting efforts. Our Lodge is announcing effective immediately a new benefit to our membership. Any member who recruits five new members in a year will receive their next year's membership free. This is a great opportunity to introduce new members to our organization while reducing your already low yearly membership fee to zero. If you recruit five new members (to include associate members) between September 20, 2007 and July 15, 2008 (our membership recruiting year) the Lodge will pay in full your next year's FOP membership dues. All you need to do is sign five new recruits' applications where it says sponsor. Any active member is able to sponsor a recruit for membership. Our application for 2008 is on our website www.fop222.org and can be downloaded by anyone. Spread the word about the FOP, recruit five members and get yourself a free membership the following year. If you recruit ten or more new members we will pay your dues for the following two years. Our website is a great source of information about our organization and our Lodge. Feel free to refer potential applicants to our website to learn more about our organization and our Lodge.

I would also like to take a moment to remind you of one of our injured members. Correctional Officer Louis Pepe was attacked on November 1, 2000 by inmates at the MCC. He sustained serious injuries and will not be able to return to duty. It is his birthday November 4, 2007 and we will be circulating a large card for everyone to sign. It is important we never forget those that sacrificed so much. Lodge Secretary Kima York will be circulating the card. If you wish to sign and write a note please reach out to sister York who will have the card.

Fraternally yours,

Kenneth Haas, Vice President
NYS FOP Lodge 222
