Dear Members,

It is essential for us to honor those brothers and sisters who have made the ultimate sacrifice to protect others. New York State FOP will have their yearly Memorial Service on May 2, 2009 at the NYS FOP Headquarters in Hicksville to honor all those in NYS who made the ultimate sacrifice this past year. On May 15, 2009 the National FOP will host the Law Enforcement Memorial in Washington DC to honor all those in the nation who made the ultimate sacrifice this past year.

We encourage all our members to attend both very worthy events. We have several pictures of the New York State Memorial Service under our photos section. Several of our Executive Board Members will attend the NYS Memorial Service again this year and hope to also attend the National Service. Any member interested is welcome and encouraged to attend. There are links on our website to both the State and National FOP for more information, or if you have any questions feel free to contact President Espinet or Vice President Haas.
